5.1 Principal’s Report.
$10,000 has been given to the school to resurface and fence the cricket nets.
James McMaster will be holding a year 6-7 transition evening on 9th March.
David Allen will be running a year 10 information night on Thursday 10th February.
Laptops will be given out to year 9 students on Tuesday 15th February.
The College Presentation Day will be held on Friday 18th February at the Town Hall from 10am – 12.30 pm.
The school has been informed that the old Bus Sheds adjoining the school will become a new Police Station. The building will be between 3 and 3 ½ stories. Part of the footpath in Derbyshire St will be lost with 6 parking spots being used for police vehicles and with only 20 on-site parking spots to accommodate all staff. The police vehicles would share the school’s present turning circle where many parents drop off/pick up their children as well as it is the only place the College Bus is able to park.
Applications in writing outlining concerns will be lodged with the Joint Regional Planning Panel. It was suggested that a combined School and P&C letter be written regarding the possible impact of the building.
